

COMMUNITY DEVELOPMENT OPERATIONS ANNOUNCEMENT ADDRESSING COVID-19 (SARS-CoV-2)

As of March 20th, 2020, the Community Development Department will be suspending physical operations and services out of the municipal building following the order of Governor Tom Wolf.

Our staff will be available with limited resources to address the services provided by the Township.

All forms, records, applications, and documents should be submitted electronically, when possible, otherwise mail submissions will be accepted but possibly delayed.

Check payments mailed to the administrative office will be addressed as timely as possible. The Township is encouraging over the phone credit card transactions to ensure timely payment.

As directed, the Township will not permit any physical construction activities until the suspension has been lifted; including, not limited to job-site activity (residential & commercial), inspections, code enforcement activities, and other physical operations. If anyone notices someone working under this suspension, please report it to the police and legal action will be taken.

Our overall goal is to ensure the safety of all residents in these difficult times.

We thank you for your understanding and patience.
