PUBLIC COMMENT

At this time, citizens may address the Environmental Advisory Council on any issue. Only residents and taxpayers of the Township of Ross will be permitted to address the EAC. Speakers will be permitted to speak for a maximum of 5 minutes. Groups of people will be required to designate a spokesperson to represent them before the Council who may speak for a maximum of 10 minutes. Speakers are asked to use the microphone, clearly state their name and address for the record and keep comments brief and to the point. Please spell your name for the record.

Speakers are reminded that the EAC uses these comment periods as opportunities to gather information and not to respond directly to concerns raised. Information gathered will not be discussed at the current meeting, but instead will be referred by the Chair of the EAC, President to the Township Manager, Department Head and/or a Committee for review and to prepare an appropriate response which will be communicated to the entire EAC.
