Ross Township

Trash and Recycling
Collection Guide 2023
NEW - Automated Trash Collection

Dear Ross Township Resident:

WM is proud to be your environmental solutions provider. As part of our new contract with Ross Township, all residents will receive automated curbside collection. Our automated collection service will provide residents with a new 96-gallon cart for trash and you will continue to use your green and yellow 64-gallon cart for recycling. Yard waste will be collected once a month from April - November. The calendar attached includes your schedule.

WM is excited to continue our partnership with Ross Township and looks forward to helping your community be as clean and green as possible.

General Information

Your collection day will remain the same. All items must be placed at the curb no later than 6:00 a.m. on the day of your collection. Despite our best efforts, we occasionally miss scheduled collections. If we do, please call us at (800) 866-4460 as soon as you can. Our representatives will work with you to ensure your materials get picked up. You can also visit www.wm.com for live chat and email options.
